

## A Day with Early Excellence!

Early Excellence are delighted to be working in partnership once again with the Loughborough Learning Alliance to offer an inspirational day of training for EYFS teachers and support staff to challenge and inform teaching, practice and provision in the EYFS.

### Tuesday 2<sup>nd</sup> October 2018

<p><b>A:</b> 9.30- 12.00</p>	<p><b>Developing the Characteristics of Effective Learning</b></p> <p>The Characteristics of Effective Learning are fundamental to every child. They focus on how children learn rather than what they learn. Research has shown that it is these skills that make a difference to children's long term outcomes and to their ability to become happy, resourceful and resilient adults. With a focus on developing the role of the adult in implementing the Characteristics of Effective Learning, this course will get practitioners to consider the different ways children learn and reflect this in how we plan, teach, organise our learning environment and support individual children and groups of children.</p> <p style="text-align: right;"><b>Price per delegate: £50 (LLA) £75 (Non-LLA)</b></p>
<p><b>B:</b> 1.00- 3.30</p>	<p><b>Recognising the Needs of Boys' Learning</b></p> <p>The gender gap is a much-discussed topic across the education sector. Early years practitioners often come across the same problems; with boys not appearing to fully engage in an adult led activities or reluctant to use all experiences provided to support their learning. It is critical that we plan meaningful and challenging experiences that connect with all children's passions and spark their imaginations!</p> <p>This course will explore theories behind young children's development and how these relate specifically to boys. Throughout the day participants will consider how we can address these issues in imaginative and practical ways.</p> <p style="text-align: right;"><b>Price per delegate: £50 (LLA) £75 (Non-LLA)</b></p>
<p><b>C:</b> 4.00- 5.30</p>	<p><b>Put the Kettle On! Creating High Quality Domestic Role Play</b></p> <p>How much does your home corner reflect the real homes of the children? Could you move in tomorrow? How can we support learning across all areas in our home corner?</p> <p>This twilight will explore the importance of establishing meaningful and quality domestic role play that remains in place all year. You will consider resources that can be added to the environment which will provide opportunities across all areas of learning and reflect children's personal experiences.</p> <p style="text-align: right;"><b>Price per delegate: £40 (LLA) £55 (Non-LLA)</b></p>
