

Early Years Workshop

Firm Foundations for Fabulous Phonics

An interactive and informative session.

This workshop is packed full of quick and easy to use ideas, games and resources to help your children master the basic skills they need to confidently and accurately hear, identify and manipulate phonemes.

This workshop provides you with:

- Basic knowledge and key information
- Simple activities to develop your children's four key listening competencies: auditory discrimination, listening memory, sequencing skills and rhythm & rhyme
- Suggestions and ideas to help your children practice, apply and consolidate their phonic skills

Join us for a fabulous, fun filled phonics workshop and take away with you some fantastic ideas.
