

How to find us

Loughborough Learning Alliance is based at Ashmount School.

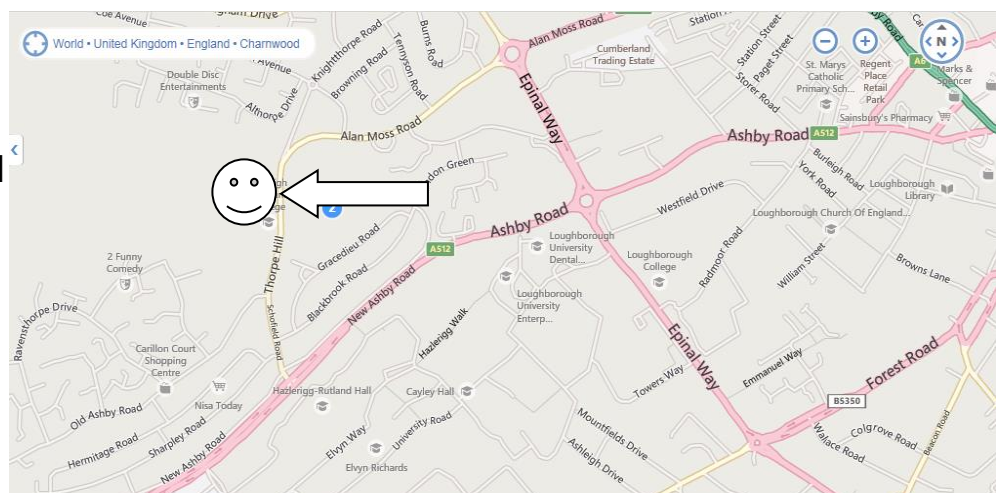

Ashmount School is located behind Charnwood College. Please enter the Campus via Gate 1. If the security gates are closed, please press the buzzer labelled Ashmount School and advise the Reception team that you are attending the course.

Once the gates are open, turn left half way up the drive. You will see Ashmount School in front of you.

Please park in the school car park and report to reception at the front of the school.

If using Sat Nav, please use the postcode LE11 4SQ rather than entering Ashmount School into your Sat Nav, as sometimes this can take you to a nearby housing estate.
