Tuesday 20<sup>th</sup> November, 8:30am – 11:30am, Ashmount School, Loughborough

Do you want a deeper understanding of the way children behave outside of the classroom?  
Do you need more insight and support on how to manage and promote positive behaviours?  
If so, then this session is for you!

## Who should attend?

This course is aimed at School Meals Supervisory Assistants, Lunchtime Leaders, Play Leaders, Class Teachers, Teaching Assistants, Key Stage Co-ordinators or Leaders and Senior Leaders.

## What is it?

This course will provide guidance on managing situations, consider current best practise and allow you to explore ways of improving lunchtimes to improve children's learning and better their behaviour.

## What will I do?

This hands-on session will give you the opportunity to network with your peers, providing you with practical outcomes which you can take away from the session and put into practise yourself.

By the end of this session, you will have a clearer insight into how to manage situations which take place outside of the classroom, demonstrated practically.

In addition, how school staff can interact well with children, reflect upon activities which can be carried out in your own school and turn these into whole school strategies for happier lunchtimes!
