

# Supporting Social Development and Behaviour in young people with Down's syndrome

Tuesday 6<sup>th</sup> February – 12pm – 3pm, Ashmount School, Loughborough

This half day course will focus on supporting social development and behaviour in 3-11 year olds with Down's syndrome.

## Who should attend?

This course is suitable for Teachers, Teaching Assistants and Lunchtime Supervisors.

## About this course

- The course will outline how to support social development and positive behaviour from early childhood to the end of primary school.
- You will be provided with practical advice on how to support friendships, play and social skills.
- You will learn how to support positive behaviour using learning strengths.

The training will be delivered by 2 members of the Downs Syndrome Association.

## About the course provider

The Down's Syndrome Association are the only organisation in the country that focuses solely on all aspects of living successfully with Down's syndrome.

Since 1970, they have grown from being a local parent group into a national charity with over 20,000 members.
