

TeachMeet

Loughborough

Loughborough College, 12th October 2017 (3.30-5.30)

CPD for Secondary/FE Teachers and Leaders

A TeachMeet is a great way of sharing ideas with other teachers about things that make a difference to teaching and learning. It's informal, fun, inspiring and fantastic professional development.

Our TeachMeet is going to begin with an opening presentation of a couple of inspirational ideas, at 3.45pm.

Following this short presentation, attendees will have the chance to circulate at leisure around a carousel of organised tables, where there will be representatives from various schools who will be on hand to share their expertise.

Attendees will benefit from a variety of useful ideas, activities, resources and teaching and learning tips.

Why Attend?

This is a fantastic local event which has been organised to enable key local practitioners to share best practice and to feel motivated and enthused by each other.

This is a new event, organised for local teachers, so come along and show your support.
