

drb Ignite: Leadership Briefings

Termly Meetings held at Ashmount School, Loughborough

We are delighted to be working with drb Ignite to run termly leadership briefings.

Held each term at a number of venues throughout the Midlands and beyond, the drb Ignite senior leader Briefings are very popular as attendees have welcomed the opportunity to hear at first hand from highly experienced professionals the latest developments in education.

The Briefings cover all aspects of education, including curriculum and assessment support, development in teaching, the Early Years Foundation Stage, summaries of national achievement outcomes, reviews of recently published education reports and inspection developments. Attendees not only hear what to expect from current and proposed education initiatives but the Briefings provide excellent opportunities for attendees to ask questions about their own specific situation.

Who should attend?

These briefings, held termly, are aimed at Headteachers, Deputy Heads and Assistant Heads.

Previous attendees say:

"drb Ignite leadership briefings are invaluable! They help me to keep up-to-date, especially with the national agenda in terms of achievement, curriculum development and Ofsted"

"As a relatively new comer to these senior leadership events I was relieved to find the presentation so real and engaging – thank you so much"

"The drb Ignite Ofsted updates are a must! Thank you for the breadth of information and signposting the useful resources."

"Excellent as ever – many slides will be used with leaders and staff to drive improvement."
