

Subject Leader Networks

These meetings offer an opportunity to network with other schools, to share knowledge, practice and ideas, and to discuss local and national issues, challenges and priorities, engaging in collaborative development work where this is beneficial.

A meeting reminder will be sent prior to each meeting with confirmation of venue. Please email lla@ashmount.leics.sch.uk to advise attendance or request that your name is added to the mailing list. Networks are free to Alliance member schools and £25 each to non-members.
